

Alexia R. Kouletsis

(717) 649-2182 (cell) | alexiark06@icloud.com | Available January – August 2027
Portfolio: alexiakouletsis.com | github.com/alexiakouletsis | linkedin.com/in/alexia-kouletsis

Education

Northeastern University, Boston, MA | Khoury College of Computer Science September 2025 – Present
Candidate for a B.S. in Computer Science and Design | GPA: 3.967/4.0 Expected May 2029
Honors: Khoury College Dean's List (Spring 2026)

Relevant Coursework: Theory of Computation, C++, Interaction Design, Algorithms and Data, Program Design I & II (Python, Java), Human-Computer Interaction, Discrete Structures, Design Processes and Practices

Technical Skills

Languages: *Proficient:* Java, Python, Typescript/Javascript | *Familiar:* C++

Frameworks & Tools: Visual Studio Code, GitHub/Git, Tailwind, React, Vite, D3.js, Windsurf, WordPress, Figma, Adobe Illustrator, Adobe InDesign

Technical & Design Experience

Research Assistant | Plural Connections Group, *Boston, MA* May 2026 – Present

- Building a full-stack scrollytelling data visualization exposing segregation patterns in a school district of 50,000+ students, using React, TypeScript, D3.js, and Tailwind
- Writing Python data pipelines to convert raw graph data into course-level enrollment stats by race and socioeconomic status
- Leading UX design decisions translating dense demographic data into a clear, narrative-driven interface
- Coding ~30 AI model cards to log evaluation transparency across companies; named co-author on the resulting paper

Senior Designer | Scout, *Boston, MA*

January 2026 – Present

- Building responsive React/TypeScript/Tailwind website for a local Boston band, implementing scroll-triggered animations using Intersection Observer API (Repository ↗)
- Designing lo-fi and hi-fi Figma prototypes for desktop and mobile ahead of development
- Facilitating client meetings to define project scope and translate feedback into design decisions
- Coordinating with design and development teams across a 10+ person org to keep deliverables aligned

Additional Experience/Volunteer Work

TA for Algorithms and Data Structures | Northeastern University, *Boston, MA* September 2026 – Present

- Independently lead weekly recitations for ~40 students within a two-lecture-section course of 160–180 students
- Hold office hours twice weekly (2 hours each), attend weekly TA meetings, and proctor and grade course quizzes

Volunteer Tutor | 826 Boston, *Boston, MA*

January 2026 – Present

- Provide one-on-one academic support to K-12 students in a drop-in tutoring setting
- Adapt explanations across age groups and learning styles to improve student comprehension

IT Associate Consultant | JERO International Consulting, *Rome, Italy*

September 2025 – December 2025

- Redesigned and updated the organization's official website, improving visual structure and content organization
- Coordinated with a cross-functional team to plan and execute ongoing web projects

Taekwondo Instructor | Kim's Institute of Martial Arts, *Hershey, PA*

September 2020 – August 2025

- Devised and led curriculum for classes of 5–20 students ages 5–14, covering forms, sparring, and self-defense
- Evaluated student progression and administered belt examinations

Projects

Alexit ↗ | React, JavaScript, CSS, Python

- Developed a custom Quizlet alternative for study-abroad coursework featuring multiple study modes
- Learned front-end development from scratch through iterative AI-assisted coding
- Wrote a Python script to parse and structure raw vocabulary lists into the app's study data

Grocery Splitter ↗ | Python, Tkinter

- Created a desktop application to automate itemized grocery receipt calculations and custom expense allocations
- Utilized across a 5-person household, dividing costs evenly among roommates and generating a per-person itemized receipt

Interests: **Martial Arts:** Taekwondo (3 black belts), Brazilian Jiu-Jitsu | **Fine Arts:** Paintings in regional exhibitions
